GOLF TOURNAMENT UPDATE

The Chapter's fundraiser was a success again this year thanks to our donors and Chipeta Golf Course who made this event possible. The day started with breakfast burritos and ended with a catered lunch and the awards. A relaxing fun time was had by all.

We had everything from a 9000 lb winch, champagne, noise cancelling ear muffs, Broncos hats, to Colorado Rockies tickets in the drawing.

Don't forget to protect yourself against the heat this summer!

With the OSHA-NIOSH Heat Safety Tool, you have vital safety information available whenever and wherever you need it - right on your mobile phone.

The Tool allows workers and supervisors to calculate the heat index for their worksite, and, based on the heat index, displays a risk level to outdoor workers.
